

PLATINUM

CHEER ASSOCIATION

Dear Prospective Sponsor,

Platinum Cheer Association (PCA) is a 501 (3)(c) nonprofit organization which serves multiple areas in the south/west suburbs and offers competitive recreational cheerleading programs to youth in grades K-8. Since our inaugural year in 2018, our program has grown by over 70%. We have over **125** families as part of our program, and we strive to provide what is otherwise an expensive sport to all those who want to be part of it. PCA works tirelessly fundraising and seeking sponsors to ensure that the cost of registration is affordable to our families. Benefits to our sponsors may include having your business name on our sponsor banner, placement of your business and description on our website, and acknowledgements through social media. It is with that in mind that we ask you to consider making a tax-deductible donation to the Platinum Cheer Association. Platinum Cheer Association is run by dedicated volunteers in the community. Our coaches, board members, and families volunteer their time and talents to enhance the experience of our athletes and to bring an affordable competitive recreational cheerleading program to the area.

PCA prides itself on keeping a continued focus on community outreach efforts all year long. We want our athletes to be strong cheerleaders, but more importantly, we want them to be good people. We strive to bring awareness to our athletes and to be mindful of those less fortunate. We select various charities annually to focus our community outreach efforts and foster a community of giving of both time and treasure amongst coaches, staff, parents, and athletes alike.

To reach our goals, **we need your support**. One of the most important steps in the planning process for a successful season is obtaining local and corporate sponsorships from businesses and organizations to help offset costs and allow the registration fees to be affordable to all families. Your tax-deductible donation will help cover the cost of uniforms, practice space fees, competition entry fees, and insurance.

This is a unique opportunity for us to come together to enhance our community. Attached please find detailed information on our sponsorship levels and benefits.

Thank you for your time and for considering this request. Our ability to successfully run an athletic program and community outreach organization is due to the support of our generous sponsors.

Thank you,

Jen Kubiszyn
Director
Platinum Cheer Association
