Platinum is the element that holds us all together and up! We are built on it as a symbol of strength, determination, resistance, and endurance.

WHERE PCA BEGAN

Platinum Cheer Association was founded in 2018.

PCA was started by a group of local women devoted to the sport of cheer and believe Cheerleading enhances character, independence and social interaction in addition to maximizing each individual's potential. Creating an environment that allows each athlete to grow and learn in Competitive Cheerleading, while keeping it at a recreational level making it accessible to the community.

The Board of Directors making up PCA are volunteer parents who are experienced in the sport of Cheer and committed to a successful organization promoting athletics, community outreach and fun!

We welcome all athletes in our Kindergarten level up to 5th Grade.

Our Diamond 6th-8th grade team(s) is a Super Rec tryout team. We believe all athletes at this age level should be focused on advancing their skills to the next level in preparation for HS Cheer.

Our Mission

Platinum Cheer Association is an organization offering competitive recreational cheer. Cheerleading enhances character, independence and social interaction in addition to maximizing each individual's potential. It is the mission of Platinum Cheer to develop each athlete physically and socially through competitive recreational cheerleading and to create role models and individuals with a sense of leadership within the surrounding communities.

Promoting and encouraging our young athletes in the values of teamwork, learning, confidence, dedication and sportsmanship through the sport of Cheerleading.

All Athletes have the opportunity to raise money through sponsorships and fundraising to offset costs of the program through our [Cheer For Free Program](#)!

[Cheer For Free Program](#)

PCA wants to give all Athletes an opportunity to join our sport! We offer multiple ways to earn money towards your registration cost, uniform cost and State Fees.

Cheer For Free Program: This is a “Get Your Money Back” program offered by PCA. All fees for registration and uniform (\$915 For Competitive Teams and \$450 for Sparkle Team) need to be paid in full by TBD to be eligible. **You will be reimbursed by TBD for the sponsorship/fundraising you have achieved.** This amount can never exceed the cost of the cheerleading program.

[ATHLETE SPONSORSHIPS](#)

Seek Sponsorships to have all, or part of, your fees reimbursed. An “Athlete Sponsorship Cover Letter” can be printed and filled out by the athlete. Turn this in along with the “Athlete Sponsorship Letter” to the business you are seeking sponsorship from. Both forms can be found on our website below.

See 'Athlete Sponsorship Letter' on what you can earn. If you obtain more than one sponsorship we will add those amounts together to see which level the athlete qualifies for. For example, if the athlete obtains six separate \$100 sponsorships the total amount acquired is \$600. This amount qualifies the athlete to reach the Bronze level and receive \$250 off fees. Please note that each individual business remains at the specific \$100 donation level. Please see the Athlete Sponsorship letter for details. **[Athlete Sponsorships for Fall 2021 Cheer are due TBD.](#)**

[2021 FUNDRAISER](#)

The 2021 Fundraiser (profits applied to registration & uniform only): Runs May-June Dates TBD.

Packets distributed at uniform fitting. Online option available. 40% of your sales will go towards the cost you incurred for registration and uniform fees. This fundraiser cannot go towards the state fee. You will be reimbursed by TBD. If you raise an amount over the total cost of cheer the remaining profits will be considered a donation and go to PCA.

[STATE FEE: Fundraising Option](#)

State Fee (profits applied to IRCA State Fee only for Grades 1st-8th): PCA will be holding a State Fundraiser as an option to offset the cost of IRCA State fees. (\$155/athlete).

If you choose not to participate, the State Fee balance is to be paid in full within one week of receiving a State bid. More information on State Fundraiser to come in the beginning of the season

*We will have practices at one inside and dedicated location and **safety** will be our #1 focus. Each practice we will be on **competition mats** that will allow coaches and cheerleaders to maximize their time in practice.*

MPX Elite will be the home to our PCA Practices
15301 S. Bell Rd, Homer Glen

PCA PRACTICE

- PCA Practices are pick up and drop off. All practices are CLOSED practices and only Coaches and Jr. Coaches are allowed in the practice area.
- Be respectful of space within MPX during pick up and drop off. If your athlete is old enough to go in and out alone into the space drop off and pick up outside the facility.
- If you have come in to pick up your child please stay to the side of the front desk to allow all using the facility to work out a clear path to the front desk and stairs.
- Limit your speed in the parking lot to 10 mph.
- Whenever possible, carpool with friends and neighbors to alleviate traffic within the parking area.
- Be respectful of the practice area. This is a rented facility by PCA.

Please notify family members, friends or anyone else dropping off or picking up your child of our facility and practice guidelines.

- All Practices are mandatory beginning 08/09/21
 - Only 3 Absences of any kind are allowed per season. Any athlete exceeding 3 unexcused absences will not be eligible to compete for the remainder of the season. Any exceptions must be submitted to the Executive Board.
 - 2 Tardies = 1 Absence
- Parents are reminded that schedule changes can occur. PCA attempts to give advance notice when possible, but sometimes unforeseen circumstances arise. Parents and athletes need to be flexible to these schedule changes during the season. Failure to adhere to the above could result in your child's dismissal from the program.
- If you cannot attend a practice, or will be late, you are expected to email and/or call your coach in advance.

- All practices 2 weeks prior to a competition are MANDATORY. If your athlete misses a practice two weeks prior to a competition, they will not be competing in the upcoming Competition.
- Please do not be late for drop off or pick-up at practice.
- Wear shorts, PCA tanks/t-shirts, PCA Practice bow and gym shoes (double tied) with a high pony.
- Clothing should appropriately fit children. NO jeans or skirts, no oversized sweatshirts, no jewelry, no gum, no food unless medically necessary.
- Jewelry is a safety threat to all and should be removed prior to practice. If it cannot be removed, it must be taped down.
- Use the bathroom before practice begins.
- NO cell phone usage (water breaks are meant for you to drink water, not text).
- Children that are NOT in the program can NOT be dropped off with cheerleaders at practice. We can NOT be responsible for their safety.

- There is to be NO negative comments to each other, your coaches, or anyone within the PCA Organization, surrounding recreational programs or the IRCA up to and including any derogatory or slandering remarks on any social media site.
- If a parent/guardian has questions or concerns, they should speak directly to the Head Coach.
- Remember you represent the PCA Organization, both on and off the field.

Injuries

1. **PCA will follow the 80% rule with all stunting.**
2. Any athlete injured during cheer season that requires medical attention must have a signed doctor's release to participate in subsequent practices or games for the current season. This release must be turned in to the Cheer Director or Head Coach. **If an athlete can not participate in practice due to injury two weeks prior to a competition, the athlete will be pulled from the upcoming competition.
3. Any child who contracts an infectious disease (other than a cold or the flu) during a cheer season must have a signed doctor's release to participate in subsequent practices or games. This release must be turned in to the Cheer Director.
4. It is the responsibility of the parents to contact the Cheer Director to obtain league medical forms in the event that there's an injury during a PCA practice or event. This should be done immediately following the injury and before the end of the season. This insurance is a secondary policy to offset costs not covered by your insurance. There is a co-pay with this secondary insurance.

*You are on a team. **It's a family.** Even through all the difficult times your team will always be there for you and you should be there for them. **You compete as one, not as individuals.** Everyone should try harder every practice. **Win or lose as a team. Rise or fall as a team.***

Conduct of PCA Athletes and Families

- PCA Families will be respectful to all coaches, parents, and teammates. Any disrespect or inappropriate behavior will result in expulsion from practice and dismissal from the program.
- Discrimination, Gossiping or bullying to other team members or other teams within surrounding areas is not allowed at any time. This includes in person, over the phone or on the Internet (i.e. Facebook, Twitter, etc.). Any families involved in this activity will be asked to leave the organization.
- Any athlete dismissed from a team due to behavior or attendance will not receive a refund of any kind.
- Cheerleading is a team sport with an inherent risk of injury. To minimize this risk, safety rules and respect for each other and your coach's direction, must be adhered to at all times. During the course of the cheerleading season, the girls will be practicing stunts and pyramids, which consist of other girls standing on their shoulders or back or being lifted into the air. I give my permission for my athlete to participate in this stunting.
- All Athletes, Parents, Fans, and Coaches are to use good sportsmanship and conduct. If any issues arise during the year that cannot be worked out privately with the coach or appropriate Board Member, the issue should be immediately brought to the attention of the full Board of Directors. The Directors will review the complaint and determine the best course of action. PCA will provide all the rules and policies of the organization on its website in the posted PCA Handbook. It is the parent's responsibility to read and be familiar with this information as it can change from year to year.

SOCIAL MEDIA

- Who you are on social media IS and DOES reflect upon who you are on a team. We work too hard to make a good name for cheerleading in our community to let the bad and irresponsible decisions of one or a few people effect and diminish the program.
- ANY negative social media, such as language, bullying, etc will result in an automatic one day suspension, pending further action based on the decisions of the Head Coach and Executive Board.
- All coaches will be given access to any athletes social media accounts, if asked.

Participation in any PCA program, camp, clinic or any other program offered by or affiliated in any way with PCA is subject to all rules and regulations established, implemented or utilized by the The PCA Board of Directors shall have the full and final authority for approval and decision making.

Somewhere behind the **athlete** you've become and the hours of practice and the **coaches** who've pushed you is the little girl who fell in love with the sport and never looked back. Perform for her.
